

# INDIAN INSTITUTE OF INTEGRATED SCIENCE AND TECHNOLOGY

An Independent Institute Established by Sri Shirdi Sai Educational Trust (Regd)  
Chennai, Tamilnadu, India

## RESULT CUM - DETAILED MARKS CARD

|                       |                       |               |                  |
|-----------------------|-----------------------|---------------|------------------|
| Name of the Candidate | D.SURYA PRAKASH REDDY | Father's Name | D.KRISHNA MURTHY |
| Programme             | DIPLOMA IN ECE        | D.O.B         | 17.02.1995       |
| Semester / Year       | Consolidated          | Session       | 2011-2014        |
| Status                | Regular               | Roll No.      | MA13DECE2014     |

| Subject Code | Subject                         | Marks obtained | Minimum Pass Marks | Maximum Marks |
|--------------|---------------------------------|----------------|--------------------|---------------|
| SMI          | Safety Measures in Industry     | 68             | 50                 | 100           |
| FOE          | Fundamental of Electricity      | 75             | 50                 | 100           |
| SFF          | Solders, Flux and Foldering     | 79             | 50                 | 100           |
| SEC          | Simple Electrical Circuits      | 73             | 50                 | 100           |
| CEA          | Common Electrical Accessories   | 70             | 50                 | 100           |
| MTB          | Maintenance Batteries           | 71             | 50                 | 100           |
| MGT          | Magnetism                       | 76             | 50                 | 100           |
| COE          | Communication Engineering       | 76             | 50                 | 100           |
| ELM          | Electronic Measurement          | 72             | 50                 | 100           |
| DSP          | Antenna And Wave Propagation    | 75             | 50                 | 100           |
| AWP          | Computer Architecture And Org   | 71             | 50                 | 100           |
| CRO          | Microprocessors And Interfacing | 69             | 50                 | 100           |
| MAI          | Digital Signal Processing       | 73             | 50                 | 100           |
| MIC          | Microprocessors                 | 77             | 50                 | 100           |
| MAR          | Microwave And Radar             | 72             | 50                 | 100           |
| CSE          | Control Sytems Engg             | 73             | 50                 | 100           |
| VLD          | Computer Networks               | 76             | 50                 | 100           |
| CON          | Digital System Design           | 75             | 50                 | 100           |
| DSD          | Microcontroller                 | 71             | 50                 | 100           |
| MIC          | Vlsi Design                     | 76             | 50                 | 100           |
| EMS          | Embedded System                 | 70             | 50                 | 100           |
| PRT          | Project                         | 79             | 50                 | 100           |
| TOTAL        |                                 | 1617           | 1100               | 2200          |
| DIVISION     |                                 |                |                    | First         |
